

EURAXESS Researchers in Motion

is the gateway to attractive
research careers in Europe

<http://ec.europa.eu/euraxess>

EURAXESS Jobs:

- free-of-charge database of job vacancies, funding opportunities and fellowships
- tool for researchers and organisations
- more than 6,000 offers available

EURAXESS Services:

- free services, guidance and personalised assistance
 - for researchers and their families planning and organising their move to a foreign country
 - for research organisations willing to hire an international researcher
- a network of more than 200 EURAXESS Service Centres in 40 European countries

EURAXESS Rights:

- aiming at better employment and working conditions for researchers
- offering a simple acknowledgement procedure for research organisations, giving them public recognition about the progress they made in aligning their human resource policies with the principles set out in the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers

EURAXESS Links:

- networks for European researchers working outside Europe — in the ASEAN region, Brazil, China, India, Japan and North America
- information about research in Europe and European research policies, opportunities for research funding, international collaboration and trans-national mobility

EURAXESS Service Centres
in Slovakia are offering services
in all SAIA offices.
