

# EURAXESS Researchers in Motion

is the gateway to attractive  
research careers in Europe

<http://ec.europa.eu/euraxess>

## EURAXESS Jobs:

- free-of-charge database of job vacancies, funding opportunities and fellowships
- tool for researchers and organisations
- more than 5 000 offers available constantly

## EURAXESS Services:

- free personalised services and assistance
- for researchers and their families planning and organising their move to a foreign country
- to research organisations willing to admit a foreign researcher
- more than 200 Service Centres in 40 European countries with 39 national portals
- about 238 000 answered questions in 2013

## EURAXESS Rights:

- better employment and working conditions for researchers
- including a simple "acknowledgement procedure" for research organisations to identify themselves as providers and supporters of a stimulating and favourable working environment based on the principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers

## EURAXESS Links:

- network for European researchers working outside Europe, providing interactive web tools
- in the ASEAN , Brazil, India, China, Japan, North America
