# WE ANIMATE A NETWORK TO SUPPORT RESEARCHERS TO STAY CONNECTED BETWEEN CHINA AND EUROPE

Chinese researchers working with or going to Europe

We introduce funding opportunities, the services of EURAXESS,  
and in general promote the excellence of ERA

European researchers based in China

We organize meetings and events with them to help them to share  
experience, give policy feedback and stay connected with Europe

EURAXESS is a European Commission's  
Directorate-General for Research and  
Innovation initiative

## About

EURAXESS China is an initiative of the European Commission. It is a networking tool for European researchers active in China and for Chinese and international researchers wishing to collaborate and/or pursue a career in Europe. EURAXESS China provides information about research in Europe, European research policy, opportunities for research funding, for EU-China and international collaboration and for trans-national mobility.
